Pattison Children's Hospital — technology that will help children hear, heal, and thrive.

Mark your calendars for **November 5 & 6, 2025** when the Jim Pattison Children's Hospital Radiothon, presented by CIBC Wood Gundy, brings our provincial community together with inspirational stories from across Saskatchewan!

Call **1-888-808-KIDS (5437)** or click **'DONATE NOW'** to make a donation!

Thanks to the **David & Karen Holst Family Foundation**, every donation will be **matched up to \$200,000**, doubling the impact for kids and families.

The countdown is on: it's time to save kids' lives with **Project OO: Licence to Heal**, raising funds for

Otology and Otolaryngology

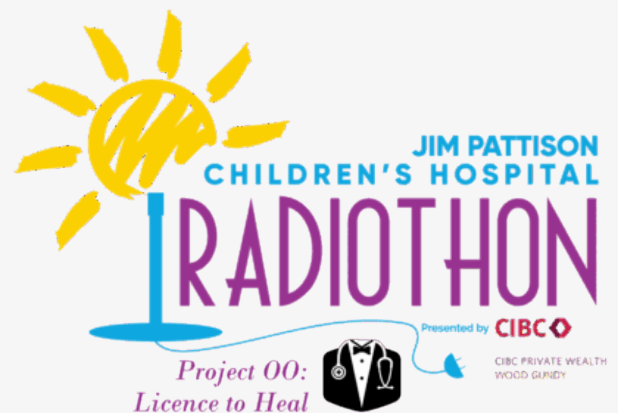

Funds raised by the 2025 Jim Pattison Children's Hospital Radiothon will ensure children across Saskatchewan receive the best possible care for their hearing health by:

- Replacing outdated sound booths with two new, fully-functioning, child-friendly booths to increase capacity for pediatric hearing assessments by

assessments to identify hearing loss earlier and enabling crucial early intervention in young children.

- Strengthening the Cochlear Implant Program, the only program in Saskatchewan, which provides essential surgical and audiological services to over 100 children annually. When a child is not able to hear well enough with hearing aids, a cochlear implant may be an option. A cochlear implant is an implantable, surgical device with an external sound processor that can help change lives for children with severe-to-profound hearing loss.
- Assuring a holistic approach to audiology by ensuring children with hearing loss and their families receive personalized care that addresses their physical, emotional, social, and psychological well-being.
- Attracting and retaining specialized professionals, including otolaryngologists, otologists, audiologists, speech-language pathologists, and social workers, who are vital to a child's communication development and overall well-being.

What began as a simple fundraiser over 20 years ago has grown into a province-wide, signature event that not only raises funds for urgent health-care needs but also raises the spirits of our entire community. Thanks to the incredible generosity of our supporters, Jim Pattison Children's Hospital Radiothon has become Saskatchewan's largest annual maternal and pediatric fundraiser.

The heartfelt and inspirational broadcast provides a glimpse into life within the walls of Jim Pattison Children's Hospital, featuring stories from Saskatchewan children, families and medical staff.
