

PURCHASING OVERWEIGHT PERMITS POLICY

THE RURAL MUNICIPALITY OF PROGRESS NO. 351

SALE OF OVERWEIGHT PERMITS

Overweight permits are required in the RM of Progress No. 351. Charges for overweight permits are as follows:

A. DURING THE YEAR

\$50.00 for a single trip permit – all oilfield traffic travelling in or out of the RM over secondary weights is required to purchase a permit.

B. DURING ROAD BAN SEASON

\$100.00 for single trip permit.

- Single trip permit during road ban season will only be issued if the purchaser can travel while there is frost or if the road is dry.
- \$300.00 permit per road ban issued by Department of Highways or the RM.
- Request for an annual permit must be accompanied by:
 - The registration of the vehicle
 - The weight
 - Vehicle permit from SGI, where applicable

Please be advised that the rural municipality does not issue overweight permits to loads that are divisible.
